

Once upon a time.....

'Adopt a Coppice @ Hautbois'

Help us create a special story telling area at Hautbois to celebrate the Centenary. We are asking for donations* to turn a small coppice into an area with a story telling chair and benches, eco sculptures and a few other surprises.

This area can be used by all those visiting Hautbois as a place to relax, unwind, learn about nature conservation and share your stories....

* If you are a tax payer -
gift aid it!

Hautbois

... where you can

...happily ever after.
