

Hautbois is set in beautiful countryside, on the edge of the Norfolk Broads. With its 28-acre estate comprising the house itself with 39 beds, 7 campsites and a variety of activities, there is something for all ages to enjoy.

Experienced and qualified staff are on hand to ensure your stay is as pleasant as possible. Activities are run throughout the year, and are also available as individual non-resident sessions for parties or just for fun! The shop sells a wide range of guiding and non-guiding merchandise.

The estate was bequeathed to Girlguiding Anglia in 1984 by the Patteson sisters, Phillippa and Beth, who had devoted their lives to guiding in Norfolk; it was opened as a residential centre in 1988. Without this wonderful gift the hundreds of guests who pass through our gates each year would not have been able to experience the delights of Hautbois.

Come for a relaxing break or an activity holiday, a day out or a week camping, we are sure that you will want to return - again and again!

A two and a half day course led by local computer firm Coltishall Computers. Designed with the user in mind the course will look at the basic function of your computer, how to browse the internet, use Internet based emails and transfer photos from camera to computer.

All of this will take into account your knowledge already acquired and go completely at everyone's own pace. All equipment is provided and accommodation is on a full board basis.
