

Hautbois Activity Centre Risk Assessment			
Corona Virus (COVID-19) Risk Assessment - updated to v3 10 July 2020			
Assessment Code: RA-COVID-19	SOP Code: N/A	Lesson Plan Code: N/A	
Review Date: 30 July 2020 or sooner as risk alerts are updated	Assessor: Fiona Hunter CIEH Level 3 H&S in the Workplace	Tech Advisor:	

General Statement of Policy

It is the policy of Girlguiding Anglia to protect all persons including employees, customers, contractors and members of the public from potential injury and damage to their health which may arise from work activities.

Girlguiding Anglia will provide and maintain safe working conditions, equipment and systems of work for all employees, and to provide such information, training and supervision as they need for this purpose.

Girlguiding Anglia give a high level of commitment to health & safety and will comply with all statutory requirements. For information on general Health & Safety, please refer to the Girlguiding Anglia Health & Safety policy.

This risk assessment is specific to the coronavirus outbreak and should be read in conjunction with all other relevant risk assessments. Outdoor activities have been assessed separately - see specific risk assessment.

What are the hazards?	Who might be harmed and how?	Controls	What further action do you need to consider to control the risks?	Who needs to carry out the action?	When is the action needed by?
Getting or spreading coronavirus by not washing hands or not washing them adequately	Workers Customers Contractors Drivers coming to our business Drivers going out for our business Visitors	<p>Everyone to follow HSE guidance on cleaning, hygiene and hand sanitising</p> <ul style="list-style-type: none"> - Water, soap and paper towels provided at all washing stations - Posters providing information on how to wash hands properly displayed - Hand sanitiser provided for the occasions when people can't wash their hands and at entrance doorways, entrance to WC blocks etc. - Managers and workers aware of the legal duty to provide welfare facilities and washing facilities for visiting drivers - Our drivers should only be going out on short duration shopping trips so should not need hand washing facilities – hand sanitiser to be kept in the truck and used as necessary. 	<ul style="list-style-type: none"> - Supervision and monitoring to be carried out by duty managers to ensure people are following controls - Put up signs up to remind people to wash their hands - Procedures in place to advise workers about when and where they need to wash their hands and availability and location of hand sanitiser for situations where hand washing is not practical/possible - Checking supplies of soap, paper towels and hand sanitiser added to cleaning checklist - Add reminders to the return to work guidance about checking skin for dryness and cracking and tell them to report to the duty manager if they have a problem - Good Hygiene and Social Distancing briefing 	<p>Duty managers</p> <p>AS</p> <p>AS</p> <p>TM</p> <p>FH</p> <p>AS</p>	<p>On-going</p> <p>Done</p> <p>Done</p> <p>On-going</p> <p>13/7/20</p> <p>13/7/20</p>

		- All participants to wash hands before and after activity sessions.	added to welcome talk and to activity sessions introductions.		
Getting or spreading coronavirus in common use high traffic areas such as corridors, staff rooms, toilet facilities, entry/exit points to facilities, lifts and other communal areas	Workers Customers Visitors Contractors Drivers coming to our business	<p>Areas where people will congregate:</p> <ul style="list-style-type: none"> - Staff room - Reception office - Kitchen/tea making facilities <p>Areas where there are pinch points:</p> <ul style="list-style-type: none"> - Back corridor - Office doorways, - Reception - Outside staff WC <p>Areas and equipment where people will touch the same surfaces</p> <ul style="list-style-type: none"> - kettles, tea/coffee/sugar canisters - Fridge and milk bottles - Photocopier - Key cabinet/key - Fire doors - Light switches - Entrance key pads <p>Areas and surfaces that are frequently touched but are difficult to clean</p> <ul style="list-style-type: none"> - <p>Communal areas where air movement may be less than in other work areas, eg kitchens with no opening windows or mechanical ventilation</p> <ul style="list-style-type: none"> - Kitchen - Staff room <p>Controls</p> <p>Limit number of people in rooms</p> <ul style="list-style-type: none"> - 3 work stations in reception office + workers using photocopier for limited time (ie collect paper and leave area) - Workers to access the building through the door closest to the destination eg. through the front door for the reception office, shop door for shop and retail office, back door for laundry room - Staff room door to be kept open while in use – max 3 people inside at appropriate social 	<p>Checklists created to ensure cleaning takes place at designated intervals</p> <p>Duty managers to supervise and monitor controls to ensure people are following guidance</p> <p>Workers to be encouraged to report near misses to duty manager by email or on the office white board</p> <p>Information sign at sign in for guests/contractors to read at outdoor reception, outside reception office.</p>	AS Duty managers FH AS	Done On-going As return to office 20/7/20

		<p>distance – use outdoor eating area whenever possible – move picnic benches to enable greater distance</p> <ul style="list-style-type: none"> - Perspex barrier between ops desks - Use pop-up gazebo to create outdoor reception for customers - Workers to keep personal belongings in desk drawers or lockers provided so they aren't left in the open - Surfaces in reception office, staff room, picnic benches to be kept clear to facilitate cleaning - Hand sanitiser to be provided at or close to eating areas - High traffic areas to be cleaned at designated time intervals 			
Getting or spreading coronavirus by not cleaning surfaces, equipment and workstations	Workers Customers Visitors Contractors Drivers coming to your business Drivers going out for your business	<p>Use the guidance on cleaning and hygiene during the coronavirus outbreak</p> <p>Surfaces that are frequently touched and by many people</p> <ul style="list-style-type: none"> - door handles - light switches - socket switches - photocopier - key cabinet - entrance key pads - communal WC block (House East) <p>will be cleaned</p> <ul style="list-style-type: none"> - at the start of the working day - at 11am - at 2pm - at the end of the working day <p>Water activity showers to be cleaned between use by groups – one cubicle available for each group (other cubicles to be locked). Climbing equipment will be rotated and stored for a minimum of 72 hours before used by a different group. On occasions when this is not possible the Activities Store Room will be sanitised using the fogging machine.</p>	<p>Checklists in place to ensure it is easy to follow controls and implementing cleaning regimes</p> <p>Duty managers to monitor that controls are followed</p> <p>Rotas displayed at key locations to show who is responsible for cleaning what and when</p> <p>Information posters in place to instruct workers</p> <ul style="list-style-type: none"> - who needs to clean - when they need to clean - what they need to clean - the products to be used - precautions to follow <p>Housekeeper to be responsible for giving managers sufficient notice of the need to re-order cleaning products and for replenishing cleaning products – in the housekeeper's absence, the duty manager is responsible for nominating a deputy</p> <p>House East campsite to be campsite of last resort to keep it for day groups whenever possible</p> <p><i>Each booking/family to be allocated a campsite</i></p>	AS Duty managers Duty managers AS/TM TM Admin staff Admin staff	20/7/20 On-going On-going 20/7/20 On-going On-going

		<p>Workers to be given training how to put on and remove personal protective equipment (PPE) that is used for normal work hazards and how to keep it clean</p> <p>Reduce the need for people to move around inside the house or other working locations as far as possible to reduce the potential spread of any contamination through touched surfaces</p> <ul style="list-style-type: none"> - managers to meet staff outside or at working location - customers to be welcomed on site at outside reception area <p>Workers to use own workstation and work equipment by allocating it on personal issue or put cleaning regimes in place to clean between each user</p> <p>Reduce the contact of people with surfaces</p> <ul style="list-style-type: none"> - leave doors open whenever possible (exterior doors should not be left open when there is no one in the vicinity to ensure security is not compromised) - keep fire doors open where they are held open by electronic means - take payments over the phone or visa the website - maintain a paper free office and communicate by email <p>Workers to clean high contact items after use and provide cleaning equipment (surface wipes) at those locations</p> <ul style="list-style-type: none"> - photocopier - key cabinet <p>Keep desks/flat surfaces clear to enable effective cleaning and reduce the chances of contamination – workers to clean own workstation at the end of their working day (including truck/tractor after use)</p> <p>Cleaning station/PPE station created in reception office for easy access to cleaning equipment in addition to</p>	<p><i>with shower and WC for their sole use wherever possible.</i></p> <p><i>If shared shower facilities are in use, put in place timed use and increased cleaning provision to be put in place – see government guidance</i></p> <p><i>Shower and WC blocks to be deep cleaned thoroughly between groups to reduce risk of contamination</i></p> <p>WC and shower blocks</p> <ul style="list-style-type: none"> • Designated cleaning times will be included in the welcome pack • External doors on to be held open • Hand sanitiser points outside/just inside every doorway <p>Families will bring their own tents – if we hire out our tents, they will be rotated to allow significant time between groups (probably will not be used again this summer as we have around 50 tents) – once a tent has been used it will be stored in an identified area within the tent container</p> <p>Dryshelters will only be available for family camping at an additional charge to cover the cost of deep cleaning – the dryshelter will be deep cleaned between groups and then left unused for at least 72 hours</p> <p>Follow Government guidance – <i>If visitors or staff become unwell and believe they have been exposed to COVID-19</i></p> <ul style="list-style-type: none"> • <i>Whilst waiting for advice from NHS 111 find somewhere safe for the unwell person at least 2m away from other people. Find a room or area where they can be isolated behind a shut door, such as a staff office or meeting room. Open a window, for ventilation. Avoid touching people, surfaces and objects and be advised to cover their mouth and nose with a disposable</i> 	<p></p> <p>FH</p> <p>TM</p> <p>AS</p> <p></p> <p>Duty managers</p> <p>Admin staff</p> <p>Duty managers</p>	<p>going</p> <p>As required</p> <p>On-going</p> <p>20/7/20</p> <p>On-going</p> <p>On-going</p> <p>As required</p>
